

Jeep Camper

As our only 4WD model, the Jeep Camper allows you to embrace adventure and take the road less traveled. Our latest model comes with a rooftop sleeper tent, the option to add on a swinging hitch rack for your bikes, and a custom-built kitchenette with one burner stove, sink, and powered cooler.

**Please note, we are evaluating demand for this product and will have updates on its 2022 availability towards the end of 2021. Currently available in LA, Las Vegas and San Francisco.
